

5 Star hotel Programs

This lodging option is special for those who enjoy staying out of town, in a relaxed place with all the best services of a five star hotel, with transportation every day to the selected river in the area. The guide will make an introduction of the planned fishing day, tips and special recommendations which will result in a great experience for you. Also after a great fishing day, you are a few minutes away from the city where you can taste the local restaurants with their regional cuisine including exquisite smoked trout, hare and wild pig, regional art shops and other town activities.
